

The Midges (3/4 time)

C G C <C>

Chorus

The [C] midges, the midges, I'm [G] no gonnae kid ye's,
The midges is really the [C] limit,
Wi teeth like pirhanas, they [G] drive ye bananas,
If ye let them get under yer [C] simmit!

The [C] Lord put the Garden of [G] Eden on earth,
And it's north of the Tweed, we be [C] lieve,
Aye, Scotland's the place, and the [G] whole human race,
Started off with MacAdam and [C] Eve!
In [C] six days or under, he [G] finished this wonder,
Except for the Forth and Tay [C] Bridges,
Then always a bloke for a [G] practical joke,
He made Scotland the home of the [C] midges!

The [C] midges, the midges, I'm [G] no gonnae kid ye's,
The midges is really the [C] limit,
Wi teeth like pirhanas, they [G] drive ye bananas,
If ye let them get under yer [C] simmit!

Back in [C] 1314, proud [G] Edward was keen,
To take Scotland into his [C] care,
But he made a U-turn when he [G] reached Bannockburn,

Just a few weeks before Glasgow [C] Fair!

The [C] midges let loose by King [G] Robert the Bruce,
Straight into the English they [C] tore,
So they ran off in tears, and for [G] six hundred years,
They've been blocking the A7[C]4!

The [C] midges, the midges, I'm [G] no gonnae kid ye's,
The midges is really the [C] limit,
Wi teeth like pirhanas, they [G] drive ye bananas,
If ye let them get under yer [C] simmit!

Now [C] never forget, when the [G] sun's going to set,
And the midges arise on Loch [C] Eck,
Like the vampires you see, played by [G] Christopher Lee,
They'll give you a pain in the [C] neck!
You can [C] smack them and whack them; in [G] vain you'll
attack them,
They know every move that you [C] make,
If you manage to kill yin, an[G]other half million,
Are ready tae come tae the [C] wake!

The [C] midges, the midges, I'm [G] no gonnae kid ye's,
The midges is really the [C] limit,
Wi teeth like pirhanas, they [G] drive ye bananas,
If ye let them get under yer [C] simmit! <C>
